

## Ralph McCall Grade 5 Information and Supply List 2025-26

Students in Grades 5 are responsible for purchasing their personal school supplies for the school year. To ensure some level of standardization, teachers ask that you follow the "shopping list" below as closely as possible. Students should bring their supplies with them on the first day of school.

**Student Agendas** - will be supplied to each student in Grade 5. Agendas are a way to ensure daily communication between home and school and students will be expected to use them as they continue to develop time management and work habits skills.

**Indoor shoes** - Students must remove outdoor shoes when entering the school and use a clean pair for inside. Indoor shoes are to be suitable for PE and must have non-marking soles.

Students will require a **backpack, lunch kit, and a non-leaking water bottle.**

Most Grade 5 students will have lockers. Depending on space, some students may need to share a locker. Students may choose to decorate the inside with magnetic items. Stickers are not permitted. Only school supplied locks will be permitted on lockers.

Technology: Ralph McCall is not a 1:1 school and students do not require a personal device. When students need to use a computer, they will use a school device, providing the technology use agreement has been signed. Parents are reminded of [Administrative Procedure 148](#) regarding personal devices. Smart watches, phones, tablets, and any other personal mobile device will need to stay in lockers during the entire day. At Ralph McCall, this is from 8:00 to 2:45 and includes all break times.

**All Grade 5 students require the following items.** *(Images are only a guide to support parents in knowing what to purchase. Unless specified, you may choose other brands.)*
